Backbox for 10" Install Speaker

Part No: 610176

About the product

The Backbox for 10" Install Speaker is used where the Install Speaker 10 must be installed in a closed housing, for example in an acoustic ceiling. If the ceiling is suspended and closed and does not allow air to circulate, you do not need a Backbox. Compatible products for the Backbox are Install Speaker 10 Master, Client and Passive.
